INSPIRATION

Saint John Bosco, popularly known as Don Bosco, was born at Becchi, in Piedmont, Italy on August 16, 1815. At a very young age, he felt inspired to work with the poor and abandoned boys, educating them through total dedication and personal involvement in their lives and problems. He envisaged a unique educational philosophy, the preventive system of education, founded on Reason, Religion and Loving Kindness. He dedicated his whole life to the young as a caring father, with the sole purpose of making them 'good Christians and honest citizens'. His legacy is today carried on by the Salesians of Don Bosco (SDBs).
